Objective:

Dedicated and skilled Senior Advanced Injector and Instructor with extensive experience in a wide range of beauty injections. Seeking a position as an Advanced Senior Injector to contribute expertise and innovation to a reputable clinic.

Professional Experience:

Skinatomy Esthetical Clinic

Toronto, Canada (2015-2022) Senior Advanced Injector and Instructor

- Spearheaded innovative thread techniques for lifting and filling procedures.
- Conducted a variety of Botox treatments, including under eyes baby Botox, Bowers lifting, gummy smile correction, Nefertiti treatment, Masster injections, lip flips, noise slim, and migraine relief.
- Administered filler treatments for lips, jawlines, chin augmentations, cheek enhancements, tear trough corrections, non-surgical rhinoplasty, and body rejuvenation.
- Specialized in Sculptra and Radiesse injections for face, neck, hands, and buttocks.
- Developed and performed lipolysis injections using a network cocktail.
- Applied PDO, PCL, and PLLA threads for lifting and filling purposes.

Chellsey Institute of Beauty and Health

Toronto, Canada (2018-2023) Medical Aesthetics Instructor

- Instructed and mentored students in the field of medical aesthetics, providing comprehensive knowledge in beauty injections, dermatology, and cosmetic procedures.
- Developed and delivered curriculum content, ensuring alignment with industry standards and best practices.
- Conducted hands-on training sessions, guiding students in the application of Botox, fillers, Sculptra, and other advanced techniques.
- Organized and facilitated workshops and seminars to enhance students' practical skills and theoretical understanding.
- Collaborated with industry professionals and experts to bring the latest advancements and trends to the classroom.
- Provided personalized feedback and evaluations to students, fostering a positive learning environment and facilitating skill development.

- Actively participated in curriculum updates, staying abreast of industry changes and incorporating relevant information into course materials.

Celebrity Clinic

Dubai, UAE (2005-2015) Advanced Injector

- Provided advanced Botox treatments for various aesthetic concerns.
- Conducted filler treatments for lips, jawlines, chin, cheeks, and tear trough corrections.
- Administered Sculptra and Radiesse injections for face, neck, hands, and buttocks.

Education:

Medical Doctor (MD)

Baghdad University, Iraq

Skills:

- Expert in a wide range of beauty injections, including Botox, fillers, Sculptra, and Radiesse.
- Proficient in PDO, PCL, and PLLA thread techniques for lifting and filling.
- Skilled in lipolysis injections using a network cocktail.
- Experienced in PRP treatments for hair and face rejuvenation.
- Specialized in vaginal tightening procedures.
- Strong instructional and training skills.

Work Portfolio:

Samples of my work can be found on the Skinatomy Laser Clinic's Instagram and on my Website <https://johndavidsmith.github.io/Dr.-Nadia-Smith-Website/>

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your clinic in more detail.
